

RESIDENT BELL CHOIR AT WEST PARK LONG-TERM CARE

The resident bell choir which is named the Silver Melodies Bell Choir performed for families, staff and their co residents. They have been practicing over the last few months and performed 8 songs. Some of the songs they performed were, There Will Never Be Another You, Summertime, Stand By Me and Ring Of Fire. They were lead and conducted by our Music Therapist Thyra Andrews from New Song Music Therapy. Their first performance went superb and received outstanding applause. The residents are looking forward to their next upcoming concert for Christmas.
